Etherlynx Vision™ Camera Systems

Each package is a complete photo-finish and timing solution for your track meets.

All systems can run on any Windows computer equipped with an Ethernet connection. All systems include the new FinishLynx EasyAlign™ technology that shows a full-frame video view of the finish line for fast and accurate camera placement. All systems take **FULL COLOR** pictures for easier athlete identification.

All systems use Power-over-Ethernet, so no AC power is required at the camera location. A single Ethernet cable transfers all data AND provides camera power. All packages include LynxPad Meet Management software – this integrates with multiple online meet entry websites. You can upgrade at any time to a higher specification package.

Etherlynx Vision™ Packages

Scholastic Package: Certified FAT system with FinishLynx Lite software for timing on a scholastic budget. Includes the entry-level camera in the EtherLynx Vision™ range, 6mm fixed lens, 600 fps accuracy, EasyAlign™ camera alignment. No wind gauge or scoreboard support. Radiolynx wireless start and remote zoom lens are optional.

- Z5100SC** Scholastic Vision System **\$4,995.00**

OVERSPEED PACER
IMPROVE YOUR SPEED!

- Use for both Overspeed and Resistance training!
- Pulley system provides gradual buildup to enable assisted runner to gain top speed!
- Helps to increase stride length and stride speed.

OVERSPEED TRAINING

- Adjust belt to snug fit. Place swivel hook on Sprinters belt. The Pacer leads having rip-cord pass through pulley at his back. Attach short cord to stationary object near midway point for chosen distance up to 100 meters.

Note: Lead pacer runs 50% speed allowing sprinter to run faster than 100% of their normal speed. Both should reach training distance at the same time & rope will release at its end.

RESISTANCE TRAINING

- Sprinter leads w/Pacer following hold back Sprinter. Pacer keeps pulley on belts swivel hook, but now swivel hook is in front (not the back). Allows Sprinter speedy release if moving too quickly.
